

1. SCAN

1. Scan the QR, choose your team (A, B or C)
2. Tap Start AR, allow the camera
3. Aim at this sheet: the site stands on the map
4. Move your phone to look around it
5. Tap a hazard, then Flag it, then log it in Notes

Print on matte paper, A4, 100%. Lay flat. Keep the whole coloured sheet visible to the camera; do not cover the border.
